

Facilities Summary

All stations are programmed and operated from the Poplar Bluff main studio, but have their local identities. This is a very economical operation, allowing ownership/management to concentrate on sales, promotions and of course, management.

The group is positioned for real growth in promotions, digital, regional and local sales.

Towers and real property:

Poplar Bluff

The company owns the KAHR-FM 300 foot tower and property as well as the studio building.

The company also owns the 400 foot tower and land where KPPL-FM is located.

Doniphan
